# In the silence of beginning

Chris Juby

**D G Bm A**  
In the silence of beginning  
**D A Bm**  
Spoke the love prepared to pay  
**G D**  
So the wellspring of creation  
**G Bm**  
Was the Lamb, eternal, slain  
**A A/C# D**  
In the glory of the Godhead  
**G D**  
As the universe was made  
**G Bm**  
Was the promise of redemption  
**A A/C# D**  
In the Lamb, eternal, slain

**D A Bm**  
From the blood of righteous A-bel  
**G D**  
As the world gave way to hate  
**G Bm**  
Every sin cried out for vengeance  
**A A/C# D**  
For the Lamb, eternal, slain  
**G Bm**  
By the code of temple worship  
**G D**  
Sacrifice of blood was made  
**G Bm**  
In that sacrifice, the shadow  
**A A/C# D**  
Of the Lamb, eternal, slain

**D A Bm**  
On the cross, in desolation  
**G D**  
As he bore our sins away  
**G Bm**  
Hear his prayer "Father, forgive  
them"  
**A A/C# D**  
See the Lamb, eternal, slain  
**G Bm**  
Through his blood we have forgiveness  
**G D**  
For he died to take our place  
**G Bm**  
Death itself has been defeated  
**A A/C# D**  
By the Lamb, eternal, slain

**D A Bm**  
Now alive in risen glory  
**G D**  
Though the wounds of love remain  
**G Bm**  
Holding out the Father's mercy  
**A A/C# D**  
Know the Lamb, eternal, slain  
**G Bm**  
When that final kingdom trumpet  
**G D**  
Heralds his triumphant reign  
**G Bm**  
We will worship him forever  
**A A/C# D**  
Hail the Lamb, eternal, slain

**G Bm**  
We will worship him forever  
**A D/F#**  
We will worship him forever  
**G Bm**  
We will worship him forever  
**A A/C# D**  
Christ the Lamb, eternal, slain
