

# Oh Give Thanks! (Psalm 107)

Chris Juby

**D**  
1) Oh give thanks to the Lord  
**A**  
He is faithful and good  
**G A D**  
And his love will endure forever  
  
Let the ones he has saved  
**Bm**  
From the east to the west  
**G A D**  
Bring a chorus of joyful praise

**D/F# A**  
*Oh give thanks!*  
**Bm G D/F# A**  
*For the Lord is always good*  
**Bm G D/F# A**  
*We will sing of his great love*  
**Bm G Em D**  
*We will sing of his great love*

2) Some had wandered away  
To a desolate place  
They were thirsty, their souls were fainting  
Then they cried to the Lord  
And he straightened the road  
He has shown them the way of life

3) Some were chained in the dark  
They rebelled against God  
And their hearts were bowed down with burden  
Then they cried to the Lord  
And he reached out his arm  
He has broken the bonds of hell

4) Some were sick in their sin  
They were wasting away  
And the doorway to death was open  
Then they cried to the Lord  
And he sent out his word  
He delivered them from the grave

5) Some went out on the waves  
Seeking fortune and fame  
But the waters rose up to drown them  
Then they cried to the Lord  
And he silenced the storm  
He will carry them home at last  
**Bm G D Bm G**  
*At last, at last, at last, at last, at last*

6) He turns desert to streams  
So the hungry can live  
By his blessing they grow and prosper  
He provides for the weak  
So the righteous will see  
And remember the love of God
